The present claim relates to the period from 26-2-51 to 7 12 51 which is covered by the above G.O. and the Reasons for the extra expenditure is also explained in the Covering Letter

3) It is seen from the Copy of the audit objection memo enclosed that the claim is not admitted as the difference of Rs 157-2-9 is not included in the Sanctioned amount of Rs 2,169-2-0. vide G.O. dated 7 12 51. But it has to be observed that the G.O approves all expenditure incurred upto 7-12-51 and authorises the Corporation itself to incur further expenditure It is therefore clear that the idea is that there should be no need for the Govt to sanction this extra expenditure each time

4) However since the audit has raised an objection the expenditure

SIR,

Subject - Supply of lunch by M/s Bombay Ananda Bhavan at the meetings of the Corporation and the Standing Committees from 26-2-1951 to 7-12-1951 - Difference claimed

I write to state that Messrs Bombay Ananda Bhavan have claimed a sum of Rs 305-0-3 stating that the same was deducted from their bills From a verification of the bills it is seen that a sum of Rs 2,601-15-0 has been paid disallowing a sum of Rs 305-0-6 The bills were passed for payment with reference to the lunch orders issued

It is urged by the caterer that the extra claim is for the extra lunch supplied at the meetings But on a verification of the bills it is seen that out of Rs 305-0-6 disallowed a sum of Rs 157-2-9 represents the cost of extra supply and that Rs 147-13-9 represents cart hire

Regarding cart hire no claim was made at the beginning but from a subsequent date this has been included As the caterer was being paid Rs 1-2-0 per plate it was expected that it included service charges, cart hire or any other incidental expenditure to them The other caterers who were supplying prior to Messrs Bombay Ananda Bhavan were also not allowed the cart hire separately Hence there is no case for allowing any cart hire and the claim was thus rejected

As regards the claim for extra supply it is stated that the supplies were made under orders of the Corporation Officers present at the meeting Though there are no any such written orders the supply of extra lunch cannot be denied Councillors who were not members of the Standing Committees also used to be present at the meetings and they have also to be served lunch as a matter of courtesy Hence the claim for Rs 157-2-9 for the supply of extra lunch was accepted and the bills passed for payment When the bill was presented for audit, the auditor has returned the bill with the objection that sanction of Government is necessary to admit the bill in audit vide copy of the objection enclosed herewith I therefore, request you to kindly obtain sanction of Government for the payment of Rs 157-2-9 to Messrs Bombay Ananda Bhavan for the supply of extra lunch between the period from 26-2-1951 to 7-12-1951

Forwarded with compliments,

(B V Lankappa),
Mayor

Yours faithfully,

(B M Abu Baker),
Commissioner
